Gabi: definitely.

sulee: I might like to see Sweets' psychology fail him and he has to yield to the expertise of the team

himbeer29: *gravedigger

Gabi: "he had a little gay crush on you." *died*

L: Amanda - Sweets has already proved himself fallible though ^_^

Gabi: "oh, well that would explain a lot."

HuffPoJamie: Well, Amanda, he did wrongly profile Hodgins

CupcakeBean: lol gabi

himbeer29: lol! yes gabi!!!

Amanda T.: I loved that Gabi

yanin: Aliens is to this day my favorite epi...well no thats a lie...its tied as my fave epi

HuffPoJamie: I *loved* the little gay crush

Lance: Does anyone see where the large pile of my typos and missing letters is stacking up?

Ashley: that was hilarious gabi

Gabi: sweets stepped up this episode. last season he was very much in a season-one-Zack position

Wendy: I did adore Angela showing up sweets at his own game

Gabi: so far... he's matured

Wendy: being more perceptive

CupcakeBean: yes wendy

Ashley: agreed

CupcakeBean: she's more worldly than he is

himbeer29: yes, wendy. very angela moment :-)

Gabi: (btw, Ashley, are you the same one i was talking to on facebook??)

Amanda T.: I dunno, Jamie, he was pretty close in a lot of ways, though.

L: yanin - Aliens always makes me cry. That final scene... omg I could go on forever about that ep. :)

Ashley: yes gabi

Ashley: :)

Johana: Yes, Hogins rocked Aliens!

Amanda T.: I love aliens for a lot of the same reasons I like Two Bodies

Gabi: mkay :)

Lance: What if Gravedigger gets Angela and they don't find her in time? Her role is the most vulnerable!

Gabi: Aliens is my favorite episode, hands down

yanin: L...Booth running down the hill...thats all i have to say about that

L: *g* Love Two Bodies as well

Johana: Yes, the two best epi's in my book!

HuffPoJamie: True, true...Oh god, Hodgins was positively haunting at the end of Aliens

Ashley: two bodies was a favorite

L: Johana - agree!

Gabi: ooooh... I would go hutn down Hart and kill him. ;)

himbeer29: oh don't be hateful lance.

Gabi: hunt*

Amanda T.: Good Hodgins in Bodies, too. Pudding anyone?

CupcakeBean: I need to rewatch tonights ep... it wasn't my fav. I liked Pain after rewatching it, so maybe this one too?

Gabi: Pudding! And his car!

Trish: Wow! Lance. Nice option.

HuffPoJamie: Ha!

Gabi: did anybody else think of that tonight?

Gabi: (the car, that is.)

Lance: No! I'd HATE that but it scares me that it's possible

L: yanin 0 god yes (sorry late catching up)

Johana: Yes, and I loved the shocked little boy face when he got to play with the big boys!

HuffPoJamie: Oh, right!

yanin: and Hodge's bluetooth thing...lol

Johana: And driving with the bluetooth was too funny!

sulee: any time I see a mini, I think of hodgins

himbeer29: hmmm. I'm gonna go with... not possible.

HuffPoJamie: I just liked the commentary and DB's man-crush on TJ.

CupcakeBean: lol

Ashley: you know what i noticed? when booth was getting out of the mini... when he said "getting out of this thing is like being born" he never said "i need a good spanking" then brennan obviously never smacked him

Johana: LMBO

L: omg the car!!!! I totally forgot about Hodgins' mini lol good catch

Trish: Maybe that option will bring Angela and Hodgins back together in a bit more lively relationship.

Gabi: Hodgins and Ange have to get back together. (

L: oh yeah the spanking line!

Johana: Yes, probably took it out because she didn't take the chance and smack his butt like any warm-blooded woman!

Gabi: (or somebody will die. i'll make sure of that.)

L: (tbh I'm glad that was scrapped - I didn't think it made sense for Booth to say that :P)

CupcakeBean: I'm sure they will eventually gabi

Wendy: What did you guys think about Brennan trying to pass off her kill(s) as not at all bothersome?

CupcakeBean: i agree L

yanin: lol...warm blooded woman.....

yanin: lol

Amanda T.: I didn't like it, wendy

himbeer29: 1. you can't have the gravedigger get another main character. (in my opinion, as I've stated. reusing plot points, bad idea) 2. they just "killed" zach. they can't get rid of EVERYONE in violent ways.

CupcakeBean: yeah, what was up with that wendy?

Ashley: haha

Trish: I found that a bit disturbing.

sulee: Wendy, I thought i was an odd comment

yanin: i think brennan would say anything to get a gun!

sulee: She wants to pass them off, but clearly can't

Wendy: lol yanin, maybe so...

Amanda T.: that could be it sulee

Wendy: but she was so upset with the first kill

CupcakeBean: that was probably the only time she'll mention the Pam incident

L: Wendy - I think it was more hasty cleanup :/

Wendy: both were justified, but I don't see her being so emotionless after being so weepy the first time

Lance: You are right, Yanin

CupcakeBean: exactly

sulee: I wish they would deal with her shooting Pam

yanin: she was trying to convince herself as well maybe?

HuffPoJamie: Didn't one of the preview articles allude to Brennan wondering if she would turn to murder like Zack did, since they think so similarly? Obviously not *exactly*, but still.

Gabi: same, sulee

L: remind me again of her first kill (sorry I have not rewatched the eps as much as you guys I dont think!)

himbeer29: she built up a wall b/c it was too close. the more upset, the more stoic.

Wendy: hmm, not sure Jamie

Amanda T.: Or, it's a ticking timebomb for a breakdown ala the clown? THAT would be better use of character development

Gabi: I really want to see how shooting Pam affected her.

sulee: I wanted her to say something about killing Pam tonight or at least mention that she did know what it was like to lose a partner.

Wendy: L her first kill was to defend Booth

Gabi: because there was a certain element there that wasn't just killing someone...

HuffPoJamie: Pam was technically self defense.

Wendy: she killed Howard Epps partner

L: before Pam?

himbeer29: in the howard epps episode, the guy he had working for him.

yanin: i want them to revisit the whole booth "dying" thing and the pam kill

L: OH yes thank you and sorry!

Amanda T.: She killed epps accomplice at the post office

L: bad memory

Lance: She is mnore upset wit hnot being told Booth wasn't dead thann killing Fat Pam

CupcakeBean: yes yanin

HuffPoJamie: Well, she was manipulated.

sulee: Right, I can't imagine that pam and lappin were in the same category to her, but she still killed

L: I blame the strike. *cue thrown tomatoes*

Amanda T.: I'm waiting for Booth or Brennan to truly unload on Sweets over that

yanin: ::tomatoes::

HuffPoJamie: Werd, Amanda

L: :D

Johana: I'll join! ::tomatoes::

L: Ahhh! lol.

HuffPoJamie: Brennan did rip into him a bit, but that really turned me off to Sweets a LOT.

CupcakeBean: yes

sulee: I thought when Booth was talking about Pritch's feelings of loosing a partner, Brennan should have made a snide remark

Amanda T.: I will also say I am REALLY looking forward to Booth's Dark Side. Maybe that'll be it?

L: Sweets was too green and not far enough in his relationship with the two of them to know he should have told Bones

Ashley: yea i thought she would

L: imho

Gabi: Dark!Booth. Major waiting for that.

Wendy: The thing about TV thought - they rarely look back

Amanda T.: I agree, sulee

Wendy: It's all about the next plot

HuffPoJamie: Sulee, I agree! I thought they would mention something!

Johana: I think we're going to be seeing some pretty flashy ties this season!

Gabi: I feel like maybe there was a tiny preview to that, with the whole "losing a partner" thing tonight

Wendy: though, not thought

Trish: I was waiting for her to say something as well.

Amanda T.: Wendy, a girl can dream! I'm hoping for a clown meltdown from Brennan and GordonGordon might come back

Amanda T.: ahhh dreams

Johana: lol

L: Gordon Gordon huzzah!

Johana: GordonGordon rocked too!

yanin: GordonGordon...love him

Ashley: GORDON GORDON!

HuffPoJamie: Huzzah! LOL

CupcakeBean: Did anyone see DB on Regis this morning?

Ashley: YES

L: Maybe in a twist of coincidence (lol) Pritchard will know GG?

L: And they'll bring them both back?

Ashley: i recorded it, i was at school :(

Johana: no, he was on finally?

yanin: I didn't bean...i so wanted to though

Amanda T.: I missed it. boo

sulee: Yes--wasn't much of an interview while the italian cab story was hilarious

HuffPoJamie: Was he awesome? I was stuck in idiot Long Island traffic

CupcakeBean: Regis mispronounced Boreanaz

Ashley: i agree sulee

Wendy: The story was funny, but it was really short

Johana: I will have to youtube it

HuffPoJamie: Boreanaz is basically spelled the way it should be pronounced.

CupcakeBean: and then DB purposely mispronounced Philbin

Ashley: ha i know bean.. he was like way off too!

Johana: I would love to see DB and ED on Craig Ferguson together!

CupcakeBean: it was hilarious

L: dude.

CupcakeBean: yes johana! that would be great

Amanda T.: gawd that would be great, johana

Ashley: i would.. i wanna see DB and ED on something together!

L: P.S. awesome password for the chat Wendy :D

HuffPoJamie: Host SNL

sulee: did anyone notice DB socks wer just brown on regis

L: I can't think of Bones without calling it the Boneo Show now

Johana: LOL! Yea

Ashley: i did sulee, i was like, 'wait what!?' haha

Johana: or "dembobes dembobes dembones"

Amanda T.: lol

Ashley: haha

L: HAH yes

yanin: lol

Wendy: the socks were brown but a very contrasting color

sulee: SNL would be great. Haven't watched in years

Wendy: they stood out

sulee: They did stand out.

Lance: Ar ewe running down?

CupcakeBean: it was a really short interview

HuffPoJamie: If ED and DB hosted SNL, I would go freaking crazy with joy.

L: I actually think ED would be better on SNL than DB

Ashley: omg i know jamie

L: or that yeah! :)

Lance: I must say this: Tonight- ED was not as "wooden" as she normally comes across on Bones

Amanda T.: they could do some really funny stuff-- pick on the BB subplot, pick on Brennan shooting someone. Like actually go to jail for it

yanin: that would be cool jamie

CupcakeBean: I don't know, L, David Duchovny was hilarious on SNL and I would have never thought it.

L: Lance - agree

himbeer29: no, she wasn't, lance. I agree.

Trish: It would be nice seeing the two of them together in something other than Bones.

Ashley: agreed trish

HuffPoJamie: Brennan and Booth investigate zombies - the undead. I so wanna write that sketch

Wendy: isn't she supposed to be "wooden" though? I thought she was a little too loose, with the exception of a couple of great scenes

Wendy: Who else thought her message on her phone was perfect?

L: Amanda - but it couldn't be too "insider" to the show since not everyone out there watches it

CupcakeBean: yeah, that was funny wendy

himbeer29: wendy, that actually annoyed me.

HuffPoJamie: I loved her phone message!

sulee: I loved the phone message

Trish: Loved the phone message.

Amanda T.: I loved the message

yanin: i thought it was perfect wendy...so brennan!

Wendy: really razz?

Amanda T.: That's true, L

Wendy: what bothered you?

L: Wendy - voicemail perfection! Totally Bones

sulee: It made me think of her no bones - no bones comment in Bride

Johana: Yes, her message was great@

Ashley: i loved the voicemail...

HuffPoJamie: I got my two-year old cousin Julia to say "I don't know what that means."

Ashley: haha cute jamie

CupcakeBean: lol jamie

HuffPoJamie: That's appropos of nothing, but I wanted to share.

himbeer29: scientist regardless, there is no way that that would really be her voicemail. before anything else, she is a professional, and expects to receive professional calls. it would be much more formal than that.

Amanda T.: awesome Jamie

L: sulee - LOVE that quote

sulee: Jamie - I said it in a class of 30 8th graders the other day

yanin: lol jamie...side note...i got my 4 yr old goddaughter to say "thats what she said"

sulee: himbeer--that's the greatness of tv.

Wendy: absolutely true razz...but still, wasn't it personality fitting, if not professionally so?

L: Jamie - my sister says that every time I start talking about the show (she doesn't watch)

CupcakeBean: at least it was her cell, not office phone

HuffPoJamie: I got her saying pirate stuff too! I had just watched "The Man with the Bone" and got her to say "Avast ye maties!"

himbeer29: personally fitting, yes. just unrealistic ;-). I just don't like things being unrealistic.

sulee: Bean--she could have a devoted cell for the squints

L: himbeer - but isnt it her cellphone message?

L: e one would be more formal maybe

himbeer29: but cupcake, you have to have professional cell voicemail messages too.

sulee: Man with the Bone is my least favorite episode ever

L: ah

Wendy: okay, I want to know everyone's simple answer: favorite character in this episode - who was the best at being themselves, who you loved most, whatever, one character

Amanda T.: I have a couple of office mates with messages that aren't that dissimilar

HuffPoJamie: Oh, no. "I believe in pirates."

himbeer29: especially as it's the phone she has with her in the field. where she is a professional...

Amanda T.: Sweets

L: Sweets

himbeer29: I dunno. I'm just being picky ;-)

CupcakeBean: yeah, sweets

Trish: I loved Pritchard.

sulee: Cam

Ashley: probably sweets

Wendy: I'm totally going with Sweets myself

CupcakeBean: he was the most in character, IMO

himbeer29: sweets

Trish: Of the main cast, I would have to say Sweets.

himbeer29: easy

Ashley: he's totally growing on me

HuffPoJamie: Toss up between Sweets and Cam. Sweets was hysterical, but I'm glad Cam did...something.

Amanda T.: I can say with certainty that while I'm not big on Grayson, I can't blame Cam for buying a ticket. Good for her.

L: Trish - Pritchard's my close second :)

sulee: I liked sweets but can't get past the ninja turtles

yanin: fave character: sweets. best at being themselves: brennan. loved sweets the most.

Amanda T.: lol

L: LOL Jamie

CupcakeBean: I thought it was OOC for Cam to get Sweet's advice... I dunno

Lance: Sweets

HuffPoJamie: Bean, I agree.

Trish: I found Cam a bit disturbing tonight.

L: I dont know what's IC for Cam anymore

L: She's all over the map

Amanda T.: I thought it was interesting that Brennan stepped in to comfort Pritchard while being compartmentalized for the group

yanin: yea...cam wasn't herself at all

CupcakeBean: Cam thinks of him as a kid, she said so in the ep. Then why ask for his advice?

Lance: Clark was the best at being true to character and sadly - was the most developed as well as most scientific and is off the show . . . think about that

HuffPoJamie: Because Pritchard is more distant than the squints. It was probably easy

sulee: no, cam wasn't completely in character, but I'm not sure we know what character is for her yet

L: Is she insecure? Secure? Organized? Disorganized? In love with Booth? Not?

Amanda T.: Bean, I guess there was no one else to ask

Amanda T.: Couldn't ask Hodgela, couldn't ask B&B. Clark didn't care

HuffPoJamie: Are we going to find out that Cam wears that Catwoman costume more often than just Halloween?

Amanda T.: lol

CupcakeBean: yeah, amanda. I could see her talking to Booth if he'd been there

L: Last season all she did was help move the crime of the week plot along

Gabi: haha

yanin: LOL Jamie

Gabi: i really did like cam tonight - i felt like we saw her develop more

Amanda T.: I agree, Bean

L: lol Lance

Ashley: i liked cam tonight also.. but in the past.. not so much

CupcakeBean: me too ashley. she's grown on me

L: I think I'm still bitter about her taking over in S2... man I'm pathetic.

L: I need a session with Sweets lol

HuffPoJamie: It's definitely time we saw more of Personal Cam. So I hope there's more in store for her.

CupcakeBean: no L, I just watched Titan yesterday and I was hating on her again.

Ashley: i would love a session with sweets haha

Gabi: S2 i hated her, but S3 she started to grow on me.

sulee: Me too Jamie

L: Bean - glad to hear I'm not alone!

Gabi: "relax, it won't be like this forever. eventually he'll die."

Amanda T.: I hate on her when i see her in Booth's bed, lol.

Lance: Where's Goodman????

Gabi: and other great lines... she slowly grew on me

Ashley: i couldnt agree more amanda

L: Lance - DUDE. I miss him a lot.

Gabi: Oh, remember? Goodman went on a "TWO MONTH" sabbatical

Gabi: pffffffffffffffffft.

HuffPoJamie: Man, what I would give to see Goodman again!

CupcakeBean: lol Gabi

Gabi: Two months. Riiiiiiiiight.

Lance: Smile

yanin: yea and then goodman never came back

Ashley: i liked goodman...wouldnt mind to see him again

himbeer29: he's gone, lance. been gone for a while. didn't you notice?

L: omg they gave it a time frame? I totally forgot that

sulee: I'd trade sweets for cullen--even though I like dr. geeks

Trish: Yeah, that sabbatical is rather extended.

CupcakeBean: Goodman and Sully must be on a sailboat in the Carribean together.

Gabi: Somebody was saying how creepy and weird and good plot-ish it would be if the reason Goodman never came back was because he got killed

Amanda T.: I miss Cullen, too

HuffPoJamie: LOL

L: Did they ever explain why he's still gone? I think they threw aline in somewhere...

Gabi: Haha, Sully kidnapped Goodman!

Wendy: oh man, you brought up cullen

L: Bean - *giggle*

Amanda T.: Though in my heart of hearts he's working for Make-A-Wish

Wendy: I HEART CULLEN! :(I miss him. He was fantastic fun

Trish: I miss Cullen too.

L: Yeah where did Cullen disappear to?!

sulee: I knew the c word would strike a nerve in Wendy

Gabi: Cullen was great. Miss him liek whoa.

Wendy: I like your thought Amanda

Ashley: cullen was cool

HuffPoJamie: Cullen was pretty swell

Gabi: He went on the sailboat with Goodman and Sully.

Wendy: lol sulee

CupcakeBean: Goodman, Sully, & Cullen all on a sailboat!

Amanda T.: Did he enlist in the Navy (JAG reference)

Wendy: no, don't put him with sully, he'd kill sully

sulee: I listen to the podcast like a good fan

yanin: lol bean

CupcakeBean: lol

L: They need to all reappear dramatically and suddenly this season in the same ep lol.

Wendy: okay, maybe, then put him with sully

himbeer29: and gordon-gordon! if we're putting all the characters there...

yanin: lol

Ashley: lol

CupcakeBean: lol

Amanda T.: lol

HuffPoJamie: We're gonna need a bigger boat

L: yes! and Pritchard

Ashley: do you guys think sully will come back?

Gabi: haha.

yanin: maybe a reunion epi

L: and Clark

sulee: A pontoon would do

Ashley: haha

HuffPoJamie: Sully? No way.

CupcakeBean: maybe the sailboat sailed into the Bermuda Triangle

Wendy: I don't think so, Ashley

L: the finale lol

Amanda T.: I think he SHOULD at least to tie up loose ends

HuffPoJamie: Maybe in pieces

Wendy: I think they originally meant for him to

Trish: Clark will be back before Sully.

himbeer29: I really want sully to come back. but I don't think he will. I actually loved sully.

L: Aw I loved Sully. He was such a sweetheart. And good in bed to boot! ;) ;)

Wendy: I think: they need to investigate his shipwreck

HuffPoJamie: I loved Sully too!

sulee: No, I don't think sully will come back, but I wouldn't mind it. More nerves with Wendy

Amanda T.: and I hate Sully more than I ever hated Cam

Wendy: lol su

Gabi: My mom LOVES Sully. T_T

Lance: Write another script wiht all of our favorite missing characters, Wendy!!!!

Wendy: thank you for watching out for my nerves, they are a little frayed

CupcakeBean: Ugh. I liked Sully as a character, but not as Brennan's love interest

Gabi: I don't understand her.

Ashley: i hated sully cause he took brennan away from BOOTH!

Wendy: oh man, I could totally write cullen back

Wendy: lol

HuffPoJamie: But Linds, the shipwreck is intriguing!

sulee: I would like to see sully come back so Bren can turn him down

Gabi: Same, sulee.

himbeer29: lol amanda! well, I like cam! never even came close to having a problem with her.

CupcakeBean: that would be ok sulee

HuffPoJamie: Wendy - abstain!

Amanda T.: I hated him because there was no way to not like him, really. Other than he zoomed booth

L: I'd hate to see them kill off another character like that though. A character we knew before.

HuffPoJamie: I thought we were done with fanfic!

L: They just did that with Wex

HuffPoJamie: :-)

sulee: I know it's fanfic that's why it WON'T HAPPEN

Wendy: Jamie, girl, like I have the time!

L: I actually thought Sully and Booth's dynamic was awesome.

Wendy: I could do it, doesn't mean I will

Lance: I want Cam . . oops . . not what we were discussing

Amanda T.: L, I agree it would be interesting to see a known character catch the golden BB

CupcakeBean: I only liked Sully for making Booth jealous

himbeer29: here lance, you can have cam, I'll have grayson! that will make everyone happy!

HuffPoJamie: I want Cam to end up with a high school social studies teacher who just goshdarn loves her.

CupcakeBean: Anyone else think Booth wasn't jealous enough tonight?

Ashley: omgosh yes!

sulee: Cam belongs with a guy with a heart the size of Alaska

Trish: What did everyone think of next week's preview?

himbeer29: hhmmtttt no, cupcake, I don't think so. he didn't need to be jealous tonight.

Ashley: i can't wait!

L: Cute.

Amanda T.: I think you're right, Bean, though it was cute how he stifled a smile when she returned to the table

Trish: Loving the Hodgins new intern dynamic.

Lance: Cam should have never parted wit hBooth

yanin: i think the "i've got a gun" comment was good

Amanda T.: Next week looks like fun

Ashley: i wanna see parker sometime

sulee: I think we may se bad mood hodgins for a few weeks.

Trish: Yes, please bring back Parker.

Gabi: I want to see parker too

Johana: Ok guys, it's been loads-o-fun, but I gotta finish packing! Thanks a bunch!

Ashley: i tihnk so too sulee

Gabi: ... I imagine Ty will not look 6 at ALL

Amanda T.: night, Johanna

himbeer29: byebye johana!

HuffPoJamie: Seriously, if Hodgins is going to be all hangdog over stuff for the whole season, I'll be really annoyed.

L: sulee - agree. I hope so! It's fitting and he was always a curmudgeon before so it's time he became one again imo

Gabi: i'm totally excited to see Hodgins next week though

Ashley: bye johana

CupcakeBean: I didn't like how the writers half-ass made Pritchard and Booth interested in each other. Either they were or they weren't. Pick one!

L: night Johana!

Trish: Night Johana!

Gabi: I mean, no Zack no Ange new annoying grad students?

Johana: Bye!

Gabi: shall be fun~ *g*

himbeer29: actually, I'm going to head out as well... lovely chatting with you all!

CupcakeBean: bye Johana

HuffPoJamie: Night Johana!

Amanda T.: The sewage joking from Hodgins might be funny.

L: I am NOT a fan of the grad students angle

Wendy: g'night people leaving

Wendy: thanks for coming!

L: Hello, House. Same network. Looks copied.

Wendy: hope you had fun :D

Ashley: night jamie

Amanda T.: It's really not that stinky (used to run a wastewater treatment plant)

HuffPoJamie: Night!

yanin: goodnight as well all..i've gotta go finish packing with johana

L: night!

Amanda T.: night Wendy and jamie

yanin: thanks for hosting wendy!

CupcakeBean: night yanin

Amanda T.: night Yanin

himbeer29: one last thing, yes L. completely agree. very annoyed with that... on house, and on this show.

Ashley: bye yanin

Wendy: thanks for suggesting it yanin :)

L: himbeer - seriously!

HuffPoJamie: Night all! Let's do this again some time!

himbeer29: and yes, thanks for setting this up wendy! we should do it again!

L: aw, everyone's going.

Lance: Good Night, all. You are all great!

Ashley: :(

Trish: Thanks Wendy. This was fun, but I must sign off too. Big day at work tomorrow. Ugh. Can't wait for the next one.

CupcakeBean: night!

Gabi: yeah, L. the only different between the House gradstudents and the Bones ones is that House made it really funny.

Gabi: ... i wonder if we'll get repeating grad students... *wonders*

L: lol Gabi hmm.

Amanda T.: I think Hodgins will have fun at their expense
